OUR SERVICE

COPY TRADING PLATFORM

Our partner broker TegasFX and its copy trading platform enable investors to automatically copy trades made by professional and experienced traders.

Our benefits:

FACILITY

No need for in-depth market expertise; simply select one or more traders to copy.

SAVE TIME

No need to constantly monitor the markets. All the transactions of the trader you have chosen to copy are automatically reproduced in your trading account.

DIVERSIFICATION

You can copy several traders, allowing you to spread your funds across different strategies and potentially reduce risk.

TRANSPARENCY

We offer a detailed performance history, enabling you to select the strategies best suited to your investor profile (whether conservative, moderate or aggressive).

SECURITY

You have total access and control over your funds. You can deposit or withdraw all or part of your funds at any time.

PASSIVE INCOME

Potentially generate earnings of up to 20% per month!

ACCESSIBILITY

A deposit is possible from as little as \$100.

QUALITY

Verse Network selects partner traders to ensure the highest quality of trading services.
